The directors of the Company have fixed **April 29, 2022** as the record date for the Meeting (the "**Record Date**"). Shareholders who are unable to attend the Meeting are requested to read, complete, sign, date and return the form of proxy and deliver it to the Company's transfer agent, **Computershare Investor Services Inc.** A proxy will not be valid unless it is deposited with our transfer agent Computershare Investor Services, Inc., (i) by mail using the return envelope or (ii) by hand delivery to Computershare, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1. Alternatively, Shareholders may vote by telephone at 1-866-732- 8683 (toll free within North America) or 1-312-588-4290 (outside North America), by facsimile to 1-866-249-7775 (toll free within North America) or 1-416-263-9524 (outside North America), or by internet using the 15 digit control number located at the bottom of the proxy at www.investorvote.com. As of the date of this notice, the Company intends to proceed with the Meeting and encourages you to vote by proxy in advance of the Meeting in light of public health directives and recommendations relating to the ongoing novel coronavirus ("**COVID-19**") pandemic and efforts to reduce its spread, including restrictions on in-person gatherings of any size, which continue to be strongly discouraged, and physical distancing requirements, and overarching concern for the wellbeing of Shareholders, directors, their families and others. At a minimum, only registered Shareholders or their duly appointed proxyholders will be permitted to attend the Meeting. Those attending the Meeting in person who are experiencing any of the known COVID-19 symptoms including fever, cough or difficulty breathing will not be permitted to attend the Meeting. Those attending in person will be required to comply with the then current direction and advice from federal, provincial and municipal levels of government concerning public gatherings. Note however that, in light of ongoing concerns related to the spread of COVID-19 and the constantly evolving restrictions on the size of public gatherings which are beyond the control of the Company, attendance at the Meeting in person may be difficult or not permitted. **Accordingly, we encourage you to vote by proxy in advance of the Meeting.**

DATED at the City of Vancouver, in the Province of British Columbia, this 6th day of May 2022.

BY ORDER OF THE BOARD OF DIRECTORS

MANAGEMENT INFORMATION CIRCULAR

FOR THE 2022 ANNUAL GENERAL MEETING OF SHAREHOLDERS TO BE HELD AT 9:00 A.M. ON JUNE 8, 2022

This information herein is given as at May 6, 2022, except as otherwise stated.

SOLICITATION OF PROXIES

This information circular ("Information Circular") is being furnished in connection with the solicitation of proxies by the management ("Management") of Whitehorse Gold Corp. (the "Company") for use at the annual general meeting (the "Meeting") of the holders of common shares (each, a "Share" or a "Common Share") in the capital of the Company (the "Shareholders") to be held in the main boardroom of the offices of the Company at Suite 1750 – 1066 West Hastings Street Vancouver, British Columbia, V6E 3X1 for the purposes set forth in the accompanying Notice of Meeting. While it is expected that the solicitation of proxies will be primarily by mail, proxies may be solicited personally or by telephone by the regular employees of the Company at nominal cost. The Company may reimburse Shareholders' nominees or agents (including brokers holding Shares on behalf of clients) for the cost incurred in obtaining authorization from their principals to execute proxies. All costs of solicitation will be borne by the Company. None of the directors of the Company have advised that they intend to oppose any action intended to be taken by Management as set forth in this Information Circular.

Appointment and Revocation of Proxies

The individuals named in the accompanying form of proxy are directors or officers of the Company. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR THE SHAREHOLDER AND ON THE SHAREHOLDER'S BEHALF AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY INSERTING SUCH PERSON'S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY AND STRIKING OUT THE TWO PRINTED NAMES, OR BY COMPLETING ANOTHER FORM OF PROXY.** A proxy will not be valid unless it is deposited with the Company's transfer agent, Computershare Investor Services, Inc., (i) by mail using the enclosed return envelope or (ii) by hand delivery to Computershare, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1. Alternatively, you may vote by telephone at 1-866-732- 8683 (toll free within North America) or 1-312-588-4290 (outside North America), by facsimile to 1-866-249-7775 (toll free within North America) or 1-416-263-9524 (outside North America), or by internet using the 15 digit control number located at the bottom of your enclosed proxy at www.investorvote.com. All instructions are listed in the enclosed form of proxy. Your proxy or voting instructions must be received in each case by not less than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays) prior to the time set for the holding of the Meeting, (or any adjournment or postponement thereof) unless the Chair of the Meeting elects to exercise his discretion to accept proxies received subsequently.

Late proxies may be accepted or rejected by the Chairman of the Meeting at his discretion and the Chairman of the Meeting is under no obligation to accept or reject any particular late proxy. The Chairman of the Meeting may waive or extend the proxy cut-off time without notice.

A Shareholder who has given a proxy may revoke it by an instrument in writing executed by the Shareholder or by the Shareholder's attorney authorized in writing or, if the Shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the Company, at Suite 1750 – 1066 West Hastings Street, Vancouver, British Columbia, V6E 3X1, at any time up to and including the last business day preceding the day of the Meeting or any adjournment or postponement thereto or to the Chairman of the Meeting on the day of the Meeting or any adjournment or postponement thereto. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

If you are a non-registered Shareholder, please follow the instructions from your bank, broker or other financial intermediary for instructions on how to revoke your voting instructions.

Exercise of Discretion

If the instructions in a proxy are certain, the Shares represented thereby will be voted on any poll by the persons named in the proxy and, where a choice with respect to any matter to be acted upon has been specified in the proxy, the Shares represented thereby will, on a poll, be voted or withheld from voting in accordance with the specifications so made. **If you do not provide instructions in your proxy, the persons named in the enclosed proxy will vote your Shares FOR the matters to be acted on at the Meeting.**

The persons named in the enclosed proxy will have discretionary authority with respect to any amendments or variations of these matters or any other matters properly brought before the Meeting or any adjournment or postponement thereof, in each instance, to the extent permitted by law, whether or not the amendment or other item of business that comes before the Meeting is routine or contested. The persons named in the enclosed proxy will vote on such matters in accordance with their best judgment. At the time of the publication of this Information Circular, the Management knows of no such amendment, variation or other matter which may be presented to the Meeting.

Advice to Non-Registered Shareholders

The information set out in this section is important to many Shareholders as a substantial number of Shareholders do not hold their Shares in their own name.

Only registered Shareholders or duly appointed proxyholders for registered Shareholders are permitted to vote at the Meeting. Many of the Shareholders of the Company are "non-registered" Shareholders because the Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Shares.

More particularly, a person is not a registered Shareholder in respect of Shares of the Company which are held on behalf of that person (the "**Non-Registered Holder**") but which are registered either (a) in the name of an intermediary (the "**Intermediary**") that the Non-Registered Holder deals with in respect of the Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans), or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant. In accordance with the requirements of National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**"), the Company has distributed copies of the Notice of Meeting, this Information Circular and the form of proxy (collectively referred to as the "**Meeting Materials**") to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies (such as Broadridge Investor Communication Solutions) to forward the Meeting Materials to Non-Registered Holders. Generally, if you are a Non-Registered Holder and you have not waived the right to receive the Meeting Materials you will either:

- (a) be given a form of **proxy which has already been signed by the Intermediary** (typically by a facsimile stamped signature) which is restricted to the number of Shares beneficially owned by you, but which is otherwise not complete. Because the Intermediary has already signed the proxy, this proxy is not required to be signed by you when submitting it. In this case, if you wish to submit a proxy you should otherwise properly complete the executed proxy provided and deposit it with **Computershare Investor Services Inc.**, as provided above; or
- (b) more typically, a Non-Registered Holder will be given a voting instruction form which is not signed by the Intermediary, and which, when properly completed and signed by the Non-Registered Holder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a "proxy", "proxy authorization form" or "voting instruction form") which the Intermediary must follow. Typically, the voting instruction form will consist of a one-page pre-printed form. Sometimes, instead of the one-page printed form, the voting instruction form will consist of a regular printed proxy accompanied by a page of instructions that contains a removable label containing a bar-code and other information. In order for the proxy to validly constitute a voting instruction form, the Non-Registered Holder must remove the label from the instructions and affix it to the proxy, properly complete and sign the proxy **and return it to the Intermediary or its service company (not Computershare Investor Services Inc.)** in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Shares that they beneficially own. If you are a Non-Registered Holder and you wish to vote at the Meeting in person as proxyholder for the Shares owned by you, you should strike out the names of the Management designated proxyholders named in the proxy authorization form or voting instruction form and insert your name in the blank space provided. **In either case, you should carefully follow the instructions of your Intermediary, including when and where the proxy, proxy authorization or voting instruction form is to be delivered.**

The Meeting Materials are being sent to both registered Shareholders and Non-Registered Holders who have not objected to the Intermediary disclosing ownership information about themselves to the Company ("**NOBOs**"). If you are a NOBO, and the Company or its agent has sent these materials to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary on your behalf.

If you are a Non-Registered Holder who has objected to the Intermediary disclosing ownership information about you to the Company (an "**OBO**"), you should be aware that the Company does not intend to pay for Intermediaries to forward the Meeting Materials, including proxies or voting information forms, to OBOs and therefore an OBO will not receive the Meeting Materials unless that OBO's Intermediary assumes the cost of delivery.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as disclosed elsewhere in this Information Circular, no Person (as defined herein) has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise. For the purpose of this paragraph, "**Person**" shall include each person: (a) who has been a director, or executive officer of the Company since the commencement of the Company's last completed financial year; (b) who is a proposed nominee for election as a director of the Company; or (c) who is an associate or affiliate of a Person included in subparagraphs (a) or (b). Refer to sections "*Voting Shares and Principal Shareholders*" and "*Interest of Informed Persons in Material Transactions - Related Party Transactions*" in this Information Circular.

VOTING SHARES AND PRINCIPAL SHAREHOLDERS

The Company is authorized to issue an unlimited number of Common Shares without par value, each share carrying the right to one vote. As of May 6, 2022, the Company has 53,131,590 issued and outstanding fully paid and non-assessable Common Shares. The Company has no other classes of voting securities.

The board of directors of the Company (the "**Board**" or the "**Board of Directors**") has fixed **April 29, 2022** as the record date (the "**Record Date**") for the determination of Shareholders entitled to receive the Notice of Meeting and to vote at the Meeting. Any transferee who acquires Shares after the Record Date and who wishes to attend the Meeting and to vote the transferred Shares must demand, not later than 10 days before the Meeting, to be included in the list of Shareholders prepared for the Meeting. Registered Shareholders should contact Computershare Investor Services Inc. and non-Registered Shareholders should contact the Intermediary through whom they acquired the Shares.

On a show of hands, every individual who is present as a registered Shareholder or as a duly appointed representative of a registered Shareholder will have one vote (no matter how many Shares such registered Shareholder holds). On a poll, every registered Shareholder present in person or represented by a proxy and every person who is a representative of a registered Shareholder, will have one vote for each Common Share registered in the name of the registered Shareholder on the list of Registered Shareholders, which is available for inspection during normal business hours at Computershare Investor Services Inc. and at the Meeting. Shareholders represented by proxyholders are not entitled to vote on a show of hands.

The following table sets out, to the knowledge of the directors and executive officers of the Company, based on public information, those persons or companies who beneficially own, directly or indirectly, or exercise control or direction over, Shares carrying 10% or more of the voting rights attached to all of the issued and outstanding Shares as at the Record Date:

Name	Number of Common Shares	Percentage of Outstanding Common Shares
Silvercorp Metals Inc. (" Silvercorp ")	15,514,286	29.20%

PARTICULARS OF MATTERS TO BE ACTED UPON

Financial Statements

The audited financial statements of the Company for the financial year ended December 31, 2021 and the auditor's reports thereon and the management discussion and analysis ("**MD&A**") for the financial year ended December 31, 2021 will be placed before the Meeting for consideration by the Shareholders. The Board has approved the financial statements of the Company, the auditor's reports thereon, and the MD&A, and as such no Shareholders' vote needs to be taken thereon at the Meeting. The financial statements and MD&A are available under the Company's profile on SEDAR at www.sedar.com and the Company's website at www.whitehorsegold.ca.

Number of Directors

The Board presently consists of five (5) directors. Management proposes that the number of directors on the Board be set at five (5) for the ensuing year. Shareholders will therefore be asked at the Meeting to approve an ordinary resolution that the number of directors elected be set at five (5) for the ensuing year. **The Board recommends a vote "FOR" the approval of the resolution setting the number of directors at five (5). In the absence of contrary instructions, the management proxy nominees named as proxyholders in the enclosed Form of Proxy will cast the votes represented by any proxy FOR the approval of the resolution setting the number of directors at five (5).**

Election of Directors

The directors of the Company are elected at each annual general meeting of Shareholders and each holds office until the next annual general meeting of the Shareholders or until his/her successor is elected or appointed or unless he/she becomes disqualified under the Articles of the Company or the *Business Corporations Act* (British Columbia) ("**BCBCA**") to act as a director.

Each of the persons named in the following table are proposed for nomination for election as a director of the Company. **The Board of Directors recommends a vote "FOR" each of the nominees listed below. In the absence of instructions to the contrary, a properly executed and returned proxy will be voted "FOR" the proposed directors set out below.** Management does not contemplate that any of the proposed directors will be unable to serve as a director. Each director elected will hold office until the next annual general meeting of the Company or until his/her successor is elected or appointed, unless his/her office is earlier vacated in accordance with the Articles of the Company or the provisions of the BCBCA.

Advanced Notice Provisions

The Company's Articles include an advance notice provision (the "**Advance Notice Provision**"), whereby advance notice to the Company must be made in circumstances where nominations of persons for election to the Board are made by Shareholders. Among other things, the Advance Notice Provision fixes a deadline by which holders of record of the Common Shares must submit director nominations to the Company prior to any annual or special meeting of Shareholders and sets forth the specific information that a Shareholder must include in the written notice to the secretary of the Company.

In the case of an annual meeting of Shareholders, notice to the Company must be made not less than 30 or more than 65 days prior to the date of the annual meeting; provided, however, that in the event that the annual meeting is to be held on a date that is less than 50 days after the date on which the first public announcement of the date of the annual meeting was made, notice may be made not later than the close of business on the 10th day following such public announcement. In the case of a special meeting of Shareholders (which is not also an annual meeting), notice to the Company must be made not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting was made.

To be in proper written form, a notice to the Company nominating a person for election to the Board must include certain information as set forth in the Advance Notice Provision with respect to the nominee and to the nominating Shareholder. The Board may, in its sole discretion, waive any requirement of the Advance Notice Provision.

The foregoing is merely a summary of the Advance Notice Provision, is not comprehensive and is qualified by the full text of such provision. A copy of the Articles was filed on March 31, 2021 under the Company's profile on SEDAR at www.sedar.com and is posted on the Company's website at www.whitehorsegold.ca.

Corporate Cease Trade Orders or Bankruptcies

Other than as disclosed herein, no proposed director of the Company is, as of the date of this Information Circular or was within ten years before the date thereof, a director, Chief Executive Officer or Chief Financial Officer of any company (including the Company) that:

- (a) was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days, that was issued while the director or Chief Executive Officer or Chief Financial Officer was acting in the capacity as director, Chief Executive Officer or Chief Financial Officer; or

No proposed director of the Company:

- (a) is, as of the date of this Information Circular or was within ten years before the date hereof, a director, Chief Executive Officer or Chief Financial Officer of any company (including the Company) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt made a proposal under any legislation relating to bankruptcy or insolvency, or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or

The foregoing, not being within the knowledge of the Company, has been furnished by the respective proposed directors themselves.

Appointment of Auditor

It is proposed that Deloitte LLP, Chartered Professional Accountants, of Vancouver, British Columbia be reappointed as the auditors of the Company to hold office until the next annual meeting of the Shareholders or until a successor is appointed, and that the directors be authorized to determine the auditor's remuneration. Deloitte LLP has been the auditor of the Company since August 25, 2020.

The Board recommends a vote "FOR" the approval of the resolution appointing Deloitte LLP, Chartered Professional Accountants, as auditors of the Company at remuneration to be fixed by the Board. In the absence of contrary instructions, the management proxy nominees named as proxyholders in the enclosed Form of Proxy will cast the votes represented by any proxy FOR the appointment of Deloitte LLP as auditors of the Company at remuneration to be fixed by the Board.

Approval of Stock Option Plan

The Board of Directors has determined that it is advisable, and believes it is in the best interests of the Company, to adopt the amended and restated rolling stock option plan up to 10%, under which the rolling stock option plan provides that the maximum number of options issuable is 10% of the issued shares, a copy of which is attached as **Schedule "D"** to this Information Circular (the "**Stock Option Plan**" or the "**Plan**"). Accordingly, Shareholders will be asked to consider and, if thought fit, to pass an ordinary resolution approving the Plan.

The Stock Option Plan was established to attract and retain directors, officers, employees, and consultants to the Company and to motivate them to advance the interests of the Company by affording them with the opportunity to acquire an equity interest in the Company.

The following is a description of the key terms of the Plan, which is qualified in its entirety by reference to the full text of the Plan.

The Plan provides for the following terms and restrictions of stock option grants:

- (a) Directors, officers, employees and consultants of the Company or any of its subsidiaries are eligible to receive grants of options under the Plan.
- (b) The maximum number of Shares issuable under the Plan, together with the number of Shares issuable under outstanding options granted otherwise than under the Plan, shall not exceed 10% of the issued and outstanding Shares of the Company. If a stock option is surrendered, terminated or expires without being exercised, the Shares reserved for issuance pursuant to such stock option shall be available for new stock options granted under the Plan.
- (c) The aggregate number of Shares issued to insiders in any 12-month period under the Plan or any other share compensation arrangements of the Company shall not exceed 10% of the outstanding Shares.
- (d) The aggregate number of stock options granted to any one person (and Companies wholly owned by that Person) in a 12-month period must not exceed 5% of the issued Shares, calculated on the date a stock option is granted to the person (unless the Company has obtained the requisite disinterested Shareholder approval).
- (e) The aggregate number of options granted to any one consultant in a 12-month period must not exceed 2% of the issued shares of the Company, calculated at the date a stock option is granted to the Consultant.
- (f) The aggregate number of options granted to all persons retained to provide investor relations activities must not exceed 2% of the issued shares of the Company in any 12-month period, calculated at the date a stock option is granted to any such person. For the purposes of the Plan, persons retained to provide investor relations activities shall include any consultant that performs investor relations activities and any employee or director whose role and duties primarily consist of investor relations activities.

Major terms of the Plan terms in regards to exercise price, expiry, vesting, assignment, and cessation are as follows:

- (a) The exercise price per Share for a stock option shall not be less than the last daily closing price per Share on the TSX Venture Exchange (the "**TSXV**") on the last trading day immediately preceding any grant of stock options on the date of grant;
- (b) Every stock option granted pursuant to this Plan shall have a term not exceeding, and shall therefore expire no later than, ten years after the date of grant;
- (c) Pursuant to the policies of the TSXV, the Board shall determine the manner in which a stock option shall vest and become exercisable;

- (d) No stock option granted under this Plan or any right thereunder or in respect thereof shall be transferable or assignable otherwise than by will or pursuant to the laws of succession except that, if permitted by the rules and policies of the TSXV, an optionee shall have the right to assign any stock option granted to him hereunder to a trust, RRSP, RESP or similar legal entity established by such optionee;
- (e) If an officer, employee or consultant is terminated for cause, each stock option held by such optionee shall terminate and shall therefore cease to be exercisable upon such termination for cause;
- (f) If a director, officer, employee or consultant dies prior to the expiry of his stock option, his legal representatives may, within the lesser of one year from the date of the optionee's death or the expiry date of the stock option, exercise that portion of an stock option granted to the director, officer, employee, or consultant under the Plan which remains outstanding;
- (g) If a director, officer, employee or consultant ceases to be an eligible person under the Plan for any reason whatsoever (other than for termination for cause or death) each stock option held by such party will cease to be exercisable 30 days after the termination date. The Board may extend the date of such termination and the resulting period in which the stock option remains exercisable to a date not exceeding the expiry date;
- (h) In the event of a change of control, all stock options that are not vested shall vest immediately and automatically without further action by the Board, subject to any restrictions imposed by the TSXV pursuant to its policies stated herein or otherwise at the time of vesting. Stock options granted to investor relations providers are not eligible for accelerated vesting without prior TSXV approval; and,
- (i) The Board may amend any stock option with the consent of the affected optionee and the TSXV, including any shareholder approval as required by the TSXV. Disinterested Shareholder approval will be obtained for any reduction in the exercise price if the optionee is an insider of the Company at the time of the proposed amendment.

The Company has obtained conditional acceptance of the Stock Option Plan from the TSXV. In accordance with the policies of the TSXV, a stock option plan with a rolling 10% maximum must be confirmed by shareholders at each annual general meeting. Accordingly, at the Meeting, the Shareholders will be asked to pass the following resolution:

“BE IT RESOLVED as an ordinary resolution of the shareholders of the Company that the Company’s Stock Option Plan and all unallocated options and entitlements thereunder, with or without variation, be and is hereby approved.”

CORPORATE GOVERNANCE

Board of Directors

In compliance with the requirements of the BCBCA, the directors are elected by the Shareholders to manage or supervise the management of the business and affairs of the Company. In exercising their powers and discharging their duties, the directors are required to act honestly and in good faith with a view to the best interests of the Company, and to exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances.

The Board of Directors has responsibility for the stewardship of the Company. The Board is responsible for approving long-term strategic plans and annual operating budgets recommended by Management. Board consideration and approval is also required for material contracts and business transactions, and all debt and equity financing transactions. Any responsibility which is not delegated to Management or to the committees of the Board remains with the Board. The Board meets and engages in discussions on a regular basis, as required by the state of the Company's affairs, and also from time to time as deemed necessary to enable it to fulfill its responsibilities.

The Board believes that good corporate governance is important to the effective performance of the Company and plays a significant role in protecting Shareholders' interests and maximizing value for the Shareholders. The Company has reviewed its own corporate governance practices in light of National Instrument 58-101 *Disclosure of Corporate Governance Practices* ("**NI 58-101**") and National Policy 58-201 *Corporate Governance Guidelines* ("**NP 58-201**"). The Board has adopted a written charter of the Board which is attached hereto as **Schedule "A"** and is posted on the Company's website at www.whitehorsegold.ca. The Board is committed to sound corporate governance practices in the interest of its Shareholders and to effective and efficient decision making. The Company will continue to review and implement corporate governance guidelines as the business of the Company progresses.

Composition of the Board

NP 58-201 recommends that the board of directors of a reporting issuer be composed of a majority of independent directors. During the most recently completed financial year, the Company had a majority of independent directors within the meaning of National Instrument 52-110 *Audit Committees* ("**NI 52-110**"). A director is "independent" if the director has no direct or indirect material relationship with the Company. A "material relationship" is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgement. In determining whether a particular director is an "independent director" or a "non-independent director", the Board considers the factual circumstances of each director in the context of applicable securities laws.

The current independent members of the Board are Lorne Waldman (Chair), Alex Zhang and Bhakti Pavani. Gordon Neal is not considered independent as he is the CEO of the Company. Dr. Rui Feng is not considered independent as he is the CEO and Chairman of Silvercorp. Silvercorp itself, or through subsidiaries, beneficially owns and controls 15,514,286 Common Shares representing 29.20% of the Company's outstanding Common Shares.

The Company has taken steps to ensure that adequate structures and processes are in place to permit the Board to function independently of Management. Any director may submit items for inclusion in the agenda of matters to be discussed at a meeting of the Board. The Board considers that Management is effectively supervised by the independent directors on an informal basis, as the independent directors are actively and regularly involved in reviewing the operations of the Company and has regular and full access to Management. Certain of the Company's directors sit on the board of other issuers. This information is listed under each director profile under the "Other Directorships" section of this Information Circular.

The Board holds five regularly scheduled quarterly meetings throughout the year. Meetings are also conducted on an as-required basis in order to deal with matters as business developments warrant. The Board holds meetings of the independent directors as frequently as necessary to carry out their responsibilities, but in no event less than once per year, at which non-independent directors and members of management are not in attendance.

The following table summarizes directors' attendance at all Board and committee meetings since the beginning of the Company's most recently completed fiscal year ended December 31, 2021:

Name of Director	Board of Directors Meeting	Audit Committee Meeting	Compensation Committee Meeting	Corporate Governance Committee Meeting

When proposed transactions or agreements in which directors or officers may have an interest, material or not, are presented to the Board, the directors are required to disclose any such interest and the persons who have such an interest are excluded from all discussion on the matter and are not permitted to vote on the proposal. All such interests in transactions or agreements involving senior Management are dealt with by the Board, regardless of apparent immateriality.

Compensation Committee

The compensation committee of the Board (the "**Compensation Committee**") is responsible for making recommendations to the Board with respect to compensation for directors and senior officers. Fees payable to Management and directors have been determined using a number of factors, such as the nature and extent of the contributions by individual directors, and by direct comparison with other companies of similar size, complexity and risk profile.

The Compensation Committee is currently comprised of three directors: Lorne Waldman (Chair), Dr. Rui Feng and Bhakti Pavani. Each member of the committee is independent, except Dr. Rui Feng. All Compensation Committee members have direct experience that is relevant to their responsibilities in executive compensation. The charter of the Compensation Committee is attached hereto as **Schedule "B"**. A description of the responsibilities, powers and operation of the Compensation Committee can be found therein.

Corporate Governance Committee

The corporate governance committee of the Board (the "**Corporate Governance Committee**") is responsible for assisting the Board in fulfilling its responsibilities with respect to corporate governance standards, policies and practices. The Corporate Governance Committee works to ensure that the Board functions independently of Management, that Management is clearly accountable to the Board, and that procedures are in place to monitor the effectiveness of the performance of the Board, the committees of the Board and individual directors.

The Corporate Governance Committee is currently comprised of three directors: Bhakti Pavani (Chair), Gordon Neal and Lorne Waldman. Each member of the committee is independent, except Gordon Neal as he is the CEO of the Company. The skills and experience possessed by members of the Corporate Governance Committee acquired as a result of their career experience and education enable them to make decisions on the suitability of the Company's governance policies and practice. The charter of the Corporate Governance Committee is attached hereto as **Schedule "C"**. A description of the responsibilities, powers and operation of the Corporate Governance Committee can be found therein.

Nomination of Directors

The Corporate Governance Committee is responsible for assisting the Board in respect of the nomination of directors and is required to identify new candidates for appointment to the Board. The Corporate Governance Committee periodically examines the size, composition and effectiveness of the Board. The identification of candidates is also made in the context of the existing competencies and skills which the Board, as a whole, does possess or determines it should possess. Members of the Board and representatives of the mining industry are consulted from time to time for potential candidates. Once suitable candidates are identified, they are presented for consideration to the Board.

Assessments

The Corporate Governance Committee and the Board annually, and at such other times as they deem fit, examine the Company's corporate governance practices to propose such procedures and policies as the Corporate Governance Committee believes are appropriate to ensure that the Board functions independently of Management. Management is accountable to the Board and procedures are in place to monitor the effectiveness of performance of the Board, committees of the Board and individual directors. Each Board member is well-qualified through current or previous professions. Each member participates fully in each meeting, having in all cases been specifically canvassed for their input.

AUDIT COMMITTEE

The Company's audit committee (the "**Audit Committee**") is a standing committee of the Board and represents the Board in discharging its responsibility relating to the accounting, reporting and financial practices of the Company and its subsidiaries, and has general responsibility for oversight of internal controls, accounting and auditing activities and legal compliance of the Company and its subsidiaries. The Board has adopted a charter for the Audit Committee which sets out the mandate and purpose of the Audit Committee, as well as its duties and responsibilities.

The Audit Committee is currently comprised of three directors: Lorne Waldman (Chair), Gordon Neal, and Bhakti Pavani. All of the members are financially literate pursuant to NI 52-110 and, with the exception of Gordon Neal, considered independent. Gordon Neal is not considered independent as he is the CEO of the Company.

All members of the Audit Committee are experienced professionals with a background and experience in financial matters, have an in-depth understanding of the accounting principles used to prepare financial statements and as to the general application of such accounting principles, as well as the internal controls and procedures necessary for financial reporting.

More information about the Company's Audit Committee and external auditor disclosure is provided in the Company's Annual Information Form ("**AIF**") dated March 23, 2022 under the heading "Audit Committee" and a copy of the Audit Committee Charter is attached to the AIF as Schedule "A" (collectively, the "**AIF Audit Committee Disclosure**"). The AIF Audit Committee Disclosure is incorporated by reference into, and forms an integral part of, this Information Circular. EXECUTIVE COMPENSATION

Executive Compensation

Set out below are particulars of compensation paid to the following persons (the "**Named Executive Officers**" or "**NEOs**"): (a) the Company's CEO; (b) the Company's Chief Financial Officer (the "**CFO**"); (c) each of the Company's three most highly compensated executive officers, or three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year; and (d) any additional individuals for whom disclosure would have been provided under (c) except that the individual was not serving as an executive officer of the company, nor acting in a similar capacity, at the end of the most recently completed financial year.

During the financial year ended December 31, 2021, the Company had six individuals who were NEOs, namely Gordon Neal, CEO, Jean Zhang, CFO, Kevin Weston, former CEO, Tim Kingsley, former VP Exploration, Steve Stakiw, former VP Corporate Affairs, and Loralee Johnston, former VP, CSR .

Compensation Discussion and Analysis

The Company's executive compensation program is overseen by the Compensation Committee. See "*Corporate Governance - Compensation Committee*" for a description of the composition of this committee. The Compensation Committee is responsible for making recommendations to the Board with respect to the compensation of senior management and executive officers of the Company as well as with respect to human resource matters and the Company's general compensation and benefits policies and practices. The Compensation Committee also assumes responsibility for reviewing and monitoring the long-term compensation strategy of the Company.

The Compensation Committee's goals are to enable the Company to attract, retain and motivate the most qualified talent who will contribute to the long-term success of the Company by aligning compensation with the Company's business objectives and performance, and aligning incentives with the interests of shareholders to maximize shareholders' value.

The Compensation Committee attempts to ensure that the compensation packages for executive officers and the overall equity participation plan are in line with publicly listed mining and mineral exploration companies of a comparable size and with operations at a similar or a more advanced stage. Comparable peer companies referenced by the Board include 13 companies, including: Integra Resources Corp., Battle North Gold Corporation, Probe Metals Inc., Fury Gold Mines Limited, Monarch Gold Corporation, Treasury Metals Inc., Moneta Porcupine Mines Inc., Mawson Gold Ltd., White Gold Corp., Talisker Resources Ltd., QMX Gold Corporation, Velocity Minerals Ltd., and Canagold Resources Ltd. The Compensation Committee does not rely on any formula, or criteria and analysis to determine an exact amount

of compensation to pay. Compensation decisions are made through discussion by the Compensation Committee, with input from the CEO, with the final recommendations of the Compensation Committee being submitted to the Board for further discussion and final approval.

The Compensation Committee considered the implications of the risks associated with the Company's compensation policies and practices and concluded that, given the nature of the Company's business and the role of the Compensation Committee in overseeing the Company's executive compensation practices, the compensation policies and practices do not serve to encourage any NEO or individual at a principal business unit or division to take inappropriate or excessive risks, and no risks were identified arising from the Company's compensation policies and practices that are reasonably likely to have a material adverse effect on the Company.

The Compensation Committee has the authority to engage and compensate, at the expense of the Company, any outside advisor that it determines to be necessary to permit it to carry out its duties (including compensation consultants and advisers), but it did not retain any such outside consultants or advisers during the financial year ended December 31, 2021.

The Company does not have a policy that would prohibit a director or officer from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the officers or director. However, Management is not aware of any officers or director purchasing such an instrument.

Except with respect to the constitution of the Company's Compensation Committee, the adoption of the Compensation Committee Charter on February 16, 2021 and the proposed approval of the Stock Option Plan, no new actions, decisions or policies were made after the end of the most recently completed financial year that could affect a reasonable person's understanding of an NEO's compensation for the financial year ended December 31, 2021.

Compensation Components

The Board has implemented three levels of compensation to align the interests of the NEOs with those of the Shareholders. First, NEOs may be paid a monthly salary or consulting fee. Second, the Board of Directors may award NEOs long-term incentives in the form of stock options. Finally, and only in special circumstances, the Board of Directors may award cash or share bonuses for exceptional performance that results in a significant increase in Shareholder value. To date, no specific formulas have been developed to assign a specific weighting to each of these components.

Base Salary

In the Compensation Committee's view, paying base salary that is competitive in the market in which the Company operates is a first step to attracting and retaining talented, qualified and effective executives. The Compensation Committee makes assessments by making reference to independent salary surveys, and comparing salaries with that of other comparable Canadian mining companies as discussed above.

The base salaries of NEOs and the directors of the Company are reviewed annually by the Board of Directors, based on the recommendations of the Compensation Committee.

Short Term Incentive Plan - Bonuses

The Company does not maintain any short-term incentive plans for its NEOs but may award annual performance bonuses.

Long Term Compensation - Option-based Awards

Long-term compensation is paid to NEOs in the form of grants of stock options. The Company believes that encouraging its executive officers and employees to become Shareholders is the best way of aligning their interests with those of the Shareholders. Equity participation is accomplished through the Company's Stock Option Plan. The Stock Option Plan is administered by the Board, who have full and final authority with respect to the granting of all options thereunder. Accordingly, all options granted to NEOs are approved by the Board, based on the recommendations of the Compensation Committee. Options are granted to NEOs taking into account a number of factors, including the amount and terms of options previously granted, base compensation and performance bonuses,

if any, and competitive factors. The Company has not set specific target levels for options to NEOs but seeks to be competitive with similar companies.

If approved, the Stock Option Plan will provide that, subject to the requirements of the TSXV, the aggregate number of securities reserved for issuance will be 10% of the number of Shares issued and outstanding, from time to time.

During the 2021 fiscal year, the Board granted options to directors, employees and consultants to purchase a total of 1,315,000 Common Shares which represents 2.50% of the outstanding Common Shares as at December 31, 2021. The options vest in equal 6-month amounts over a three-year vesting period.

The Company has no equity compensation plans other than the Stock Option Plan.

- (8) The Company has adopted IFRS 2 – Share-based Payments to account for the issuance of options to employees and non-employees. inherent uncertainties based on market conditions generally outside of the control of the Company. The following summarizes the key assumptions used to calculate the fair value of each set of options granted:

Thus, upon exercise of options, the Common Shares underlying such options will become available for issuance under the Plan. See "*Particulars of Matters to be Acted Upon – Approval of Stock Option Plan*" above for more details.

The Company has an authorized capital of an unlimited number of Common Shares without par value, as of the Record Date, 53,131,590 Common Shares were issued and outstanding as fully paid and non-assessable. 1.2 Interpretation

References in this Plan to the outstanding Common Shares at any point in time shall be computed on a non-diluted basis.

2. ESTABLISHMENT OF PLAN

2.1 Purpose

The purpose of this Plan is to advance the interests of the Company, through the grant of Options, by:

- (a) providing an incentive mechanism to foster the interest of Eligible Persons in the success of the Company and its Affiliates;
- (b) encouraging Eligible Persons to remain with the Company or its Affiliates; and
- (c) attracting new Eligible Persons.

2.2 Number of Common Shares

- (a) The maximum number of Common Shares issuable under the Plan, together with the number of Common Shares issuable under outstanding options granted otherwise than under the Plan, shall not exceed 10% of the issued and outstanding Common Shares. For greater certainty, this Plan is designed to be a "rolling" stock option plan under Exchange Policies and, therefore, if an Option is surrendered, terminated or expires without being exercised, the Common Shares reserved for issuance pursuant to such Option shall be available for new Options granted under this Plan.
- (b) If there is a change in the outstanding Common Shares by reason of any share consolidation or split, reclassification or other capital reorganization, or a stock dividend, arrangement, amalgamation, merger or combination, or any other change to, event affecting, exchange of or corporate change or transaction affecting the Common Shares, the Board shall make, as it shall deem advisable and subject to the requisite approval of the relevant regulatory authorities, appropriate substitution and/or adjustment in:
 - (iv) the number and kind of shares or other securities or property reserved or to be allotted for issuance pursuant to this Plan;
 - (v) the number and kind of shares or other securities or property reserved or to be allotted for issuance pursuant to any outstanding unexercised Options, and in the exercise price for such shares or other securities or property; and
 - (vi) the vesting of any Options, including the accelerated vesting thereof on conditions the Board deems advisable,

and if the Company undertakes an arrangement or is amalgamated, merged or combined with another corporation, the Board shall make such provision for the protection of the rights of Participants as it shall deem advisable.

- (c) Any adjustment, other than in connection with a security consolidation or security split, pursuant to this Section 2.2, to the Option granted or issued under this Plan is subject to the prior acceptance of the Exchange, including adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization.
- (d) No fractional Common Shares shall be reserved for issuance under this Plan and the Board may determine the manner in which an Option, insofar as it relates to the acquisition of a fractional Common Share, shall be treated.
- (e) The Company shall, at all times while this Plan is in effect, reserve and keep available such number of Common Shares as will be sufficient to satisfy the requirements of this Plan.

2.3 Non-Exclusivity

Nothing contained herein shall prevent the Board from adopting such other incentive or compensation arrangements as it shall deem advisable.

2.4 Effective Date

This Plan shall be subject to the approval of any regulatory authority whose approval is required. Any Options granted under this Plan prior to such approvals being given shall be conditional upon such approvals being given, and no such Options may be exercised unless and until such approvals are given.

3. ADMINISTRATION OF PLAN

3.1 Administration

- (a) This Plan shall be administered by the Board. Subject to the provisions of this Plan, the Board shall have the authority:
 - (i) to administer this Plan in accordance with its expressed terms; to determine the Eligible Persons to whom Options are granted, to grant such Options, and to determine any terms and conditions, limitations and restrictions in respect of any particular Option grant, including but not limited to the nature and duration of the restrictions, if any, to be imposed upon the acquisition, sale or other disposition of Common Shares acquired upon exercise of the Option, and the nature of the events and the duration of the period, if any, in which any Participant's rights in respect of an Option or Common Shares acquired upon exercise of an Option may be forfeited;
 - (ii) to make amendments to this Plan in accordance with Section 7 hereof; and
 - (iii) to interpret the terms of this Plan, to make all such determinations and take all such other actions in connection with the implementation, operation and administration of this Plan, and to adopt, amend and rescind such administrative guidelines and other rules and regulations relating to this Plan, as it shall from time to time deem advisable, including without limitation for the purpose of ensuring compliance with Section 3.2 hereof.
- (b) The Board's interpretations, determinations, guidelines, rules and regulations shall be conclusive and binding upon the Company, Eligible Persons, Participants and all other persons.

3.2 Compliance with Legislation

- (a) This Plan, the grant and exercise of Options hereunder and the Company's obligation to sell, issue and deliver any Common Shares upon exercise of Options shall be subject to all applicable federal, provincial and foreign laws, policies, rules and regulations, to the Exchange Policies and to such approvals by any governmental or regulatory agency as may, in the opinion of counsel to the Company, be required. The Company shall not be obligated by the existence of this Plan or

any provision of this Plan or the grant or exercise of Options hereunder to sell, issue, or deliver Common Shares upon exercise of Options in violation of such laws, policies, rules and regulations or any condition or requirement of such approvals. The inability of the Company to obtain from any regulatory body the authority deemed by the Company to be necessary for the lawful issuance and sale of any securities of the Company in connection with this Plan, or the unavailability of an exemption from prospectus and registration requirements for the issuance and sale of any Common Shares under this Plan, shall relieve the Company of any liability with respect to the non-issuance or sale of such securities.

- (b) No Option shall be granted and no Common Shares sold, issued or delivered hereunder where such grant, sale, issue or delivery would require registration or other qualification of this Plan or of the Common Shares under the securities laws of any foreign jurisdiction, and any purported grant of any Option or any sale, issue and delivery of Common Shares hereunder in violation of this provision shall be void. In addition, the Company shall have no obligation to sell, issue, or deliver any Common Shares hereunder unless such Common Shares shall have been duly listed, upon official notice of issuance, with all stock exchanges on which the Common Shares are listed for trading.
- (C) Common Shares sold, issued and delivered to Participants pursuant to the exercise of Options shall be subject to restrictions on resale and transfer under applicable securities laws and the requirements of any stock exchanges or other markets on which the Common Shares are listed or quoted for trading, and any certificates representing such Common Shares shall bear, as required, a restrictive legend in respect thereof.

4. OPTION GRANTS

4.1 Eligibility and Multiple Grants

Options shall only be granted to Eligible Persons. An Eligible Person may receive Options on more than one occasion and may receive separate Options, with differing terms, on any one or more occasions.

4.2 Option Agreement

- (a) Every Option may be evidenced by an option agreement executed by the Company and the Participant, which shall, if the Participant is an Employee or Consultant, contain a representation and warranty by the Company and such Participant that such Participant is a *bona fide* Employee or Consultant, as the case may be, of the Company or an Affiliate. It shall be the joint responsibility of the Company and the Participant that the Participant is and shall remain a *bona fide* Employee or Consultant.
- (b) In the event of any discrepancy between this Plan and an option agreement, the provisions of this Plan shall govern.

4.3 Disinterested Shareholder Approval

Unless Disinterested Shareholder Approval is obtained, under no circumstances shall this Plan, together with all of the Company's other previously established or proposed stock option plans, employee stock purchase plans or any other compensation or incentive mechanisms involving the issuance or potential issuance of Common Shares, result in or allow at any time:

- (a) the number of Common Shares reserved for issuance pursuant to Options granted to Insiders (as a group) at any point in time exceeding 10% of the issued and outstanding Common Shares;
- (b) the grant to Insiders (as a group), within a 12 month period, of an aggregate number of Options exceeding 10% of the issued and outstanding Common Shares calculated at the time of the grant of the Options;

- (c) the issuance to any one Participant (including companies wholly owned by that Participant), within any 12 month period, of an aggregate number of Options exceeding 5% of the issued and outstanding Common Shares calculated at the time of the grant of the Options;
- (d) any individual Option grant that would result in any of the limitations set out in Sections 4.3(a), (b) or (c) being exceeded;
- (e) any amendment to Options held by Insiders that would have the effect of decreasing the exercise price of such Options; or
- (f) any amendment to this Plan that results in a benefit to an Insider, and for further clarity, an amendment includes the cancellation by the Company of any Options and within one year following such cancellation, the Company grants or issues new Options to the same person.

4.4 Exchange Restrictions of Reservations

Notwithstanding any other provision hereof, for so long as the Common Shares are listed on the Exchange, the number of Common Shares reserved for issuance to:

- (a) any one Participant, who is a Consultant, in respect of Options granted to such Consultant during any 12 month period shall not exceed 2% of the issued and outstanding Common Shares, calculated at the date such Options are granted;
- (b) Investor Relations Service Providers during any 12 month period shall not exceed in the aggregate 2% of the issued and outstanding Common Shares, calculated at the date such Options are granted; and
- (c) Eligible Charitable Organizations shall not at any time exceed 1% of the issued and outstanding Common Shares, calculated immediately subsequent to the grant of any options to the Eligible Charitable Organizations.

5. OPTION TERMS

5.1 Exercise Price

The exercise price of the Options shall not be less than the Discounted Market Price, provided that (i) if the Company has just been recalled for trading following a suspension or halt, the Company must wait until a satisfactory market has been established before setting the exercise price for and granting of the Options (generally ten days from the date of resumption of trading); (ii) a minimum price cannot be established unless the Options are allocated to particular Participants; and (iii) if Options are granted within 90 days of a distribution of securities by way of a prospectus, the minimum exercise price of those Options shall be the greater of the Discounted Market Price and the prospectus offering price (the 90 day period to be calculated from the date a final receipt is issued for the prospectus).

In addition to any resale restrictions under any applicable laws, if the exercise price of the Options is set at a discount to the Market Price or if Options are granted to Insiders (at any price), the option agreements and the certificates representing any Common Shares realized on the exercise thereof shall bear the following legend:

WITHOUT PRIOR WRITTEN APPROVAL OF THE EXCHANGE AND COMPLIANCE WITH ALL APPLICABLE SECURITIES LEGISLATION, THE SECURITIES REPRESENTED BY THIS CERTIFICATE MAY NOT BE SOLD, TRANSFERRED, HYPOTHECATED OR OTHERWISE TRADED ON OR THROUGH THE FACILITIES OF THE TSX VENTURE EXCHANGE OR OTHERWISE IN CANADA OR TO OR FOR THE BENEFIT OF A CANADIAN RESIDENT UNTIL [INSERT DATE THAT IS FOUR MONTHS AND ONE DAY AFTER THE GRANT OF THE OPTIONS].

5.2 Expiry Date

Every Option granted pursuant to this Plan shall have a Term not exceeding, and shall therefore expire no later than, ten years after the Date of Grant. In the event a Participant ceases to be an eligible Participant under the Plan, such Participant's Options shall expire within a reasonable period, as determined by the Board, but such period shall not exceed 12 months following the date the Participant ceases to be eligible under the Plan.

5.3 Vesting

Pursuant to the Exchange Policies, the Board shall determine the manner in which an Option shall vest and become exercisable. The vesting of outstanding Options may be accelerated by the Board at such times and in such amount as it may determine in its sole discretion.

Notwithstanding the foregoing, Options granted to Investor Relations Service Providers must vest in stages over at least 12 months with no more than one quarter of the Options vesting in any three month period. Where no vesting schedule is specified at the time, Options granted to Investor Relations Service Providers will vest according to the following schedule:

Vesting Period	Percentage of Total Option Vested
3 Months after Date of Grant	25%
6 Months after Date of Grant	50%
9 Months after Date of Grant	75%
12 Months after Date of Grant	100%

No acceleration of the vesting provisions of Options granted to Investor Relations Service Providers is allowed without the prior acceptance of the Exchange.

5.4 Assignment

No Option granted under this Plan or any right thereunder or in respect thereof shall be transferable or assignable.

5.5 Cessation

- (a) If an Officer, Employee or Consultant is terminated for cause, each Option held by such Participant shall terminate and shall therefore cease to be exercisable upon such termination for cause.
- (b) If an Eligible Person dies prior to the expiry of his Option, the Eligible Person's heirs or administrators may, within the lesser of one year from the date of the Participant's death or the expiry date of the Option, exercise that portion of an Option granted to the deceased Eligible Person under this Plan which remains outstanding.
- (c) If a Director, Officer, Employee or Consultant ceases to be a Participant for any reason whatsoever (other than for termination for cause or for death) each Option held by such Participant will cease to be exercisable 30 days after the termination date. The Board may extend the date of such termination and the resulting period in which the Option remain exercisable to a date the earlier of the (i) the Expiry Date or (ii) such date not exceeding 12 months after they cease to be a Participant.

- (d) Employment shall be deemed to continue intact during any military or sick leave or other *bona fide* leave of absence if the period of such leave does not exceed 90 days or, if longer, for so long as the Participant's right to re-employment with the Company is guaranteed either by statute or by contract. If the period of such leave exceeds 90 days and the Participant's re-employment is not so guaranteed, then his or her employment shall be deemed to have terminated on the 91st day of such leave and the Options held by the Participant will cease to be exercisable 90 days after such termination date.
- (e) If an Eligible Charitable Organization ceases to meet the definition of an Eligible Charitable Organization (such date being the "Lapse Date"), then Options held by it will cease to be exercisable 30 days after the Lapse Date.

5.6 Change of Control

Notwithstanding anything else herein to the contrary and subject to applicable laws, in the event of a Change of Control, all Options that are not vested shall vest immediately and automatically without further action by the Board, subject to any restrictions imposed by the Exchange Policies at the time of vesting. Options granted to Investor Relations Service Providers are not eligible for accelerated vesting without prior Exchange approval.

5.7 General Offer for Common Shares

Notwithstanding anything else herein to the contrary and subject to applicable laws, in the event of: (i) a sale of all or substantially all of the assets of the Company; or (ii) the sale, pursuant to an agreement with the Company, of securities of the Company pursuant to which the Company is or becomes a subsidiary of another corporation, then unless provision is made by the acquiring corporation for the assumption of each Option or the substitution of a substantially equivalent option therefor, the Company shall give written notice thereof to each Participant holding Options under this Plan and such Participants shall be entitled to exercise his or its Options to the extent previously unexercised, regardless of whether such Participant would otherwise be entitled to exercise such Options to such extent at that time, within the 30 day period immediately following the giving of such notice. Any Options not exercised within such 30 day period shall immediately terminate.

6. EXERCISE PROCEDURE

6.1 Exercise Procedure

An Option may be exercised and shall be deemed to be validly exercised by the Participant only upon the Participant's delivery to the Company at its registered office:

- (a) a written notice of exercise addressed to the Corporate Secretary of the Company, specifying the number of Common Shares with respect to which the Option is being exercised;
- (b) a certified cheque or bank draft made payable to the Company for the aggregate exercise price for the number of Common Shares with respect to which the Option is being exercised and full payment of any amounts the Company determines must be withheld for tax purposes from the Participant in accordance with Section 6.2 below; and
- (c) documents containing such representations, warranties, agreements and undertakings, including such as to the Participant's future dealings in such Common Shares, as counsel to the Company reasonably determines to be necessary or advisable in order to comply with or safeguard against the violation of the laws of any jurisdiction,

and within a reasonable amount of time, the Company shall cause certificates for such Common Shares to be issued and delivered to the Participant. If an Option expires during a Black-Out Period, then, notwithstanding any other provision of the Plan, the Option shall expire 10 days after the Black-Out Period is lifted by the Company; provided that, such automatic extension is not applicable if the Company or Participant is also subject to a cease trade order or similar trading restriction.

If a Participant is a corporation or is otherwise not an individual (but excluding Participants that are Eligible Charitable Organizations or Consultant Companies), it must provide the Exchange with a completed Form 4F – *Certification and Undertaking Required from a Corporation Granted an Incentive Stock Option*, or any amended or replacement form.

6.2 Taxes

The Board and the Company may take all such measures as they deem appropriate to ensure that the Company's obligations under the withholding provisions under income tax laws applicable to the Company and other provisions of applicable laws are satisfied with respect to the issuance of Common Shares pursuant to the Plan or the grant or exercise of Options under the Plan. Issuance of Common Shares or delivery of share certificates for Common Shares purchased pursuant to the Plan may be delayed, at the discretion of the Board, until the Board is satisfied that the applicable requirements of income tax laws and other applicable laws have been met.

7. AMENDMENTS

7.1 Amendments to Options

The Board may amend any Option with the consent of the affected Participant and the Exchange, including any shareholder approval as required by the Exchange. Disinterested Shareholder Approval will be obtained for any amendments that fall under Section 4.3 hereto.

7.2 Termination and Amendments to the Plan

The Board may from time to time, subject to applicable law and, if required, prior approval of the Exchange or any other regulatory body having authority over the Company and the Plan, suspend, terminate or discontinue the Plan at any time, or amend or revise the terms of the Plan or of any Option granted under the Plan and the option agreement relating thereto, provided that no such amendment, revision, suspension, termination or discontinuance shall in any manner adversely affect any Option previously granted to a Participant under the Plan without the consent of that Participant.

Notwithstanding the foregoing, the Board is specifically authorized to amend or revise the terms of the Plan or any Option without obtaining shareholder approval in the following circumstances, provided that, in the case of any Option, no such amendment or revision may, without the consent of the Participant, materially decrease the rights or benefits accruing to such Participant or materially increase the obligations of such Participant:

- (a) changes of a "housekeeping" nature including, but not limited to, of a clerical, grammatical or typographical nature;
- (b) changes to correct any defect, supply any information or reconcile any inconsistency in the Plan in such manner and to such extent as shall be deemed necessary or advisable to carry out the purposes of the Plan;
- (c) changes to clarify existing provisions of the Plan, which clarifications do not have the effect of altering the scope, nature or intent of such provisions;
- (d) changes to the vesting provisions of any Option or the Plan, provided that such changes do not require Exchange approval under the Exchange Policies;
- (e) changes to reflect any changes in requirements of any securities regulatory authority or Exchange

to which the Company is subject;

- (f) changes to termination provisions of an Option which does not result in an extension beyond the Expiry Date as contemplated in Section 5.5 of the Plan;
- (g) in the case of any Option, such amendments or revisions contemplated in Subsection 2.2(b) of the Plan; and
- (h) changes to the definition of "change of control" for the purposes hereof.

Notwithstanding the above, the Company may grant Options under amendments made to this Plan that it would not otherwise be permitted to grant prior to obtaining requisite shareholder approval, provided that: (i) the Company also obtains specific shareholder approval for such grants, separate and apart from shareholders' approval to the amendments; (ii) no Options granted under the amendments are exercised prior to shareholder approval; and (iii) shareholder approval is obtained on or before the earlier of the Company's next annual general meeting or 12 months from the amendment of the Plan. Should such shareholder approval not be obtained, the amendments shall terminate and any Options granted thereunder shall terminate.

8. MISCELLANEOUS

8.1 No Rights as Shareholder

Nothing in this Plan or any Option shall confer upon a Participant any rights as a shareholder of the Company with respect to any of the Common Shares underlying an Option unless and until such Participant shall have become the holder of such Common Shares upon exercise of such Option in accordance with the terms of the Plan.

8.2 No Right to Employment

Nothing in this Plan or any Option shall confer upon a Participant any right to continue in the employ of the Company or any Affiliate or affect in any way the right of the Company or any Affiliate to terminate the Participant's employment or engagement with the Company, with or without cause, at any time; nor shall anything in the Plan or any Option be deemed or construed to constitute an agreement, or an expression of intent, on the part of the Company or any Affiliate to extend the employment or engagement of any Participant beyond the time which the Participant would normally be retired pursuant to the provisions of any present or future retirement plan of the Company or any Affiliate, or beyond the time at which he would otherwise be retired pursuant to the provisions of any contract of employment with the Company or any Affiliate.

8.3 Use of Terms

Where the context so requires, references herein to the singular shall include the plural, and vice versa, and references to a particular gender shall include either or both genders.

8.4 Binding Agreement

The provisions of this Plan and each option agreement with a Participant shall be binding upon such Participant.

8.5 Governing Law

This Plan, all option agreements, the grant and exercise of Options hereunder, and the sale, issue and delivery of Common Shares hereunder upon exercise of Options shall be, as applicable, governed by and construed in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable therein. The Courts of the Province of British Columbia shall have the exclusive jurisdiction to hear and decide any disputes or other matters arising therefrom.
